

CHEF'S TABLE  
AUSTIN

## Sponsorship Information

*We want you to join our team for Chef's Table Austin 2017!*

Chef's Table Austin is an opportunity to combine community outreach with visibility, helping rural African communities in need while engaging with a new audience and being a part of the excitement of doing good and dining well with some of Austin's top chefs.

Chef's Table Austin is presented by Austin faith-based non-profit Water to Thrive. This sixth annual celebration will be held on **September 21, 2017** at **Hotel Van Zandt**. Proceeds from the evening will go to fund Water to Thrive's mission of bringing clean, safe water to communities in need. And we cannot continue this mission without the generosity of people like you.

There are several levels of sponsorship available for the event. We hope you will join us in presenting this exciting evening that does so much good. Your participation allows greater visibility both for you and for Water to Thrive, and guarantees our fundraising success. But most importantly, your support helps us bring the basic need of clean water to thousands of people in rural Ethiopia, Uganda, and Tanzania. Your support changes lives.
