

CHEF'S TABLE
AUSTIN

SPONSORSHIP OPPORTUNITIES 2019

Join Water to Thrive's team for Chef's Table Austin

Now in its eighth year, Chef's Table Austin is an opportunity to combine community outreach with visibility, helping rural African communities in need while engaging with a new audience and being part of the excitement of dining well and doing good with some of Austin's top chefs.

Presented by Austin faith-based non-profit Water to Thrive, whose mission to build wells and change lives has led to the funding of 1,000 wells in its first 10 years, the eighth annual Chef's Table Austin will be celebrated in September.

Proceeds from the evening help strengthen Water to Thrive's Drop by Drop Fund, the financial foundation that sustains our mission of bringing clean, safe water to communities in need.

The generosity of our sponsors allows us to host one of Austin's premier dinner auction events, underwriting the costs of the evening and helping more of the proceeds flow into our organization's funding.

With several levels of sponsorship available for the event, we hope you will find one that allows you to be a key part of our evening. Your participation brings greater visibility for you and for Water to Thrive, and helps guarantee our fundraising success. In turn, this has helped us bring the basic need of clean, safe water to hundreds of thousands of people.

We appreciate your support!
